CHICKEN AND TURKEY

WITH IN-DEMAND, BETTER-FOR-YOU
CLAIMS FOR HEALTHCARE

PERDUE FOODSERVICE PROVIDES A PORTFOLIO THAT DELIVERS QUALITY NUTRITION AND GREAT TASTE WITH LESS LABOR TO HELP MEET YOUR HEALTHCARE OPERATION'S HOLISTIC COMMITMENT TO LONG-TERM HEALTH.

NO ANTIBIOTICS EVER

Not in the egg, not in the hatchery, not in the feed. Our chickens and turkeys NEVER EVER receive any form of antibiotic at any life stage.

100% VEGETARIAN DIET WITH NO ANIMAL BY-PRODUCTS

Our superior feed features only the good stuff (like grains, corn and soybeans) to ensure a well-balanced diet and better tasting chicken and turkey.

CLEAN LABEL

PERDUE® HARVESTLAND® boasts chicken and turkey products with clean, simple ingredients.

NO HORMONES, STEROIDS* OR GROWTH-PROMOTING DRUGS

We've never used them and never will.*

HATCHED, RAISED & HARVESTED IN THE USA

Our USDA Process Verified Programs certify that our chickens and turkeys are raised on American farms and stay in the USA through processing.

Nutritious attributes that add a valuable quality halo.

Whether keeping up with always-on-the-go staff, comforting visitors with familiar favorites or filling patient trays with wholesome, high-quality chicken and turkey, our family of brands provides a full portfolio of great-tasting options for every healthcare foodservice touch point.

Clean-label chicken and turkey with fresh taste and powerful menu claims you can be proud to offer.

Convenient chicken and turkey, including pre-portioned, pre-sliced turkey options help save time and labor.

Pre-portioned and fully cooked, No Antibiotics Ever and whole grain chicken products offer myriad options with strong nutrition.
