OFFERING HALAL CHICKEN HAS NEVER BEEN EASIER

PERDUE® HARVESTLAND® makes it easy for you to offer customers halal chicken. Simply order from our extensive line of halal-certified SKUs—no need to manage more than one product line or pay extra for a halal certification.

Perdue's halal products are certified by Halal Transactions of Omaha. Contact your distributor to obtain Perdue's halal certification.

What Is Halal?

Halal is an Arabic term that means “permissible.” Meat that is certified halal must be raised and slaughtered per Islamic guidelines.

Halal consumers represent a major market segment, spending \$20 billion on food every year,¹ with chicken being the most common meat noted as halal on menus.²
